CULL SHEEP – 2179

A much larger entry than expected with 60% of the yard being mainly on the leaner side with not many big ewes on offer. Trade was back on the week but this was expected with the amount of cull sheep on offer around the country. Still pens sold over £100 topping at £115. The leaner sorts were much harder sold. With the end of the festival fast approaching we think the cull ewes on offer will decrease in number. We still require a large entry of cull sheep every week, to satisfy our strong buying demand. Average £60.00.
