## **Worcester Roussins peak at 440gns**

A 440gns call was the top price at Saturday's sale of Roussins at Worcester, with trade led by G B Renfree's shearling ram from the Dannett, flock, Cornwall.

This one is by a Moorland sire and out of a Moorland dam and was the choice of T and M Jones, Machynlleth, Powys.

Selling at 400gns was R D and A E Molyneux's shearling ram from the Moorland flock, with this one being fully homebred on both sides and selling to Messrs Bomford, Droitwich.

Next best was a 380gns call for a shearling ewe from John Fleming's Stairhaven flock, Newton Stewart, which sold to L and R Middleton, West Ashby, Lincolnshire.

And at 370gns was the very first lot of the day, a shearling ram from the Heatham flock of T Nancekivell, Bude. Sired by a Stairhaven tup and out of a homebred dam by a Moorland sire he sold to G Evans, Llandysul, Ceredigion.

After that came a 350gns bid for another of the Stairhaven gimmers, this time by a Moorland sire out of a homebred dam. She joined her flock mate on the trip to Lincolnshire with the Middletons.
