### SHEEP – 1322

**Auctioneer – Clive Roads**

Nothing short of a flying trade compared to recent months. All buyers were “fired up” and keen to compete for all weights. First quality hoggets really “rang the bell” peaking at a very creditable 232p/kg, producing an overall average of 203.1p/kg.

Provided hoggets were meat and shape the limit. More, more, more hoggets needed in the weeks ahead.

### CULL EWES – 724

**Auctioneer – James Amphlett**

Another good entry of ewes in terms of number but a yard of mixed quality. However there was sharp demand throughout the ewe section with competition on all types and pens. Ewes topped at £128.00 average £66.79
